"Viva La Musica," a canon by Michael Praetorius, a German composer (1571 - 1621)

We will sing or play through the whole canon three times, using a different language for each verse (taking a "mini-tour" of a few the European countries our program has “visited.”)

1) Italian: Viva, viva la Musica (pronounced VEEva VEEva la MOOsikah)
2) French: Vivre, vivre la Musique (pronounced VEEvrue VEEvrue la mooZEEK)
3) Czech: Živá, Živá, hudba (pronounced JEEvah JEEvah HOODbah)
